I agree to the use my details for managing membership, payments and administering the leagues. We don't pass your details onto anyone. However we do publish your names on our website in our leagues. We also send you occasional emails about information related to your membership and the shoot. If we are unable to contact you by email, we might phone you or write to your home address with renewal details or other matters relating to your membership. We only keep your details for the duration of your membership, however the website shows a history of league results, and these historical records will remain in place for up to 10 years.

### SECTION 21 DISCLAIMER

It is an offence for someone who is prohibited by Section 21 of the Firearms Act 1968 to have a firearm or ammunition in his or her possession at any time.

Section 21 applies to anybody who has been sentenced to imprisonment or to youth custody or detention in a young offenders' institution for three months or more. The period for which they are prohibited depends on the length of their sentence, if the sentence was longer than three years the prohibition is for life. If the sentence was three months or more but less than three years, the prohibition lasts for five years from the date of their release. A person sentenced to 3 months imprisonment or more where the sentence is suspended is prohibited for a period of five years beginning with the second day after which the sentence is passed.

It is an offence for a person to transfer, let or hire, give or lend a firearm or ammunition to someone whom he/she knows has reasonable grounds for believing to be prohibited by Section 21
